Subject Vasquez/I-70 Working Group Meeting Site
:

The Swansea Recreation Center is being painted on April 20, 2000. We needed to find another place to hold the meeting. Mel Munoz found a site. We will be meeting at the Johnson's Recreation Center. The following information gives you the address and some directions. We hope this doesn't inconvenience anyone too much. Everything else about the meeting remains the same.

Here are the directions to the Johnson's Rec. Center in the Elyria neighborhood. The address is 4809 Race St. Please call us at COPEEN if these are too confusing!
303-292-1236.

Basically, from E. 46th Ave. and Clayton St. (where you'd be if you were going to the Swansea Rec. Center) head West on 46th Ave. Turn right (North) onto Josephine St. (which is one-way). At the first traffic light (46th Ave.) turn left. You will come to York street, where you will then turn right. (York Street becomes two-way) Cross the RR tracks and follow York St. to 48th Ave. On 48th Ave. turn left (Eaton Metals will be on your right), and follow to Race ST. You'll see Johnson's Recreation Center on your right.

****Other way to get there:**

From downtown, take York St. to 40th Ave. and turn right on 40th. Then take the first left onto Josephine St. Follow Josephine St. to 46th Ave. and turn left onto 46th Ave. Follow 46th Ave. to High St. and turn right onto High St. Follow High St. to 48th Ave. and turn right. The Johnson's Rec. Center will be a few blocks down on your left at Race St. **This way is longer, but may be easier in the long run.
